REVIEW OF NEWSLETTER POLICY

Letters to the Newsletter

Feel free to write letters for inclusion in the newsletter. Flappings is our means of communication. It's the place for you to voice concerns, bring issues to the attention of the membership and give a pat-on-the-back to someone who needs it. However, there are some guidelines that you will need to follow.

1. Sign your letter.

2. No personal attacks will be tolerated.
3. Because of space limitations for the newsletter, limit your letter to 400 words or less.
4. No profanity will be printed.

If you have a concern that you feel cannot be addressed in the limited space please contact the publisher. You may print and distribute your letter at a HAPA meeting or you will be given a set of HAPA labels and you may do a mailing on your own. Labels will not be released to a non-HAPA member and must be used only for the intended purpose of mailing the letter to the membership.

Publishing Deadlines

Letters, articles and classifieds must be submitted to the newsletter by the 20th of every month. The newsletter is printed and mailed by the 1st of every month.

Address Correspondence and Contributions to:

Jacque Boyd

E-mail: 72104.231@compuserve.com
